## PRESS RELEASE

### **NATIONAL SECURITY OPERATIVES KILL TWO (2) PERSONS IN THE AKAN CONSTITUENCY**

My attention has been drawn to some sad news that hit my constituency during the Christmas celebrations. Two persons Peter Agbla and Alhassan Inusah both 22years on a motorbike in my constituency have been killed by persons believed to be national security operatives.

According to my preliminary investigation, the vehicles which crashed the two at Koto-Nkwanta were being driven by national security officers without any headlights in the night.

I find it shocking that peace officers paid by taxpayers to ensure the safety of citizens can mow down two individuals without any conscience or human feeling.

I want to assure the general public and members of the family of the deceased individuals of my commitment as a member of parliament to pursue the matter lawfully to its final conclusion with the national security secretariat and government. In the meantime, I call on the national security minister to withdraw his officers from my constituency to avert any possible clash in the constituency.

I would like to express my profoundest condolences to the bereaved families for the loss of their children.

I also entreat the youths and elders to remain calm as we continue to use all lawful means available to pursue the matter to a just and satisfactory conclusion.

Signed:

Hon. Engr. Yao Gomado  
(MP, Akan Constituency)
